Dear Otto,

Many thanks for your letter of Nov. 18, '53  
outlining future CIA representation plans here [REDACTED] 25X1A  
With this pouch, I have written [REDACTED] concerning some 25X1A  
administrative points about my return on which I would appreciate  
any help you could give him and consequently, me. 25X1A

I will leave written explanatory notes for [REDACTED] which  
[REDACTED] 25X1C will pass to him, since I will not be here when he  
arrives. These notes should be all that is required to ensure  
continuity, and will have the Gen'l's approval. Anything more than  
this would be superfluous since, as I understand it, the Gen'l has  
25X1A carte blanche in the use of [REDACTED] and he should therefore have the  
utmost flexibility in handling the situation without [REDACTED] being 25X1A  
tied to procedures initiated as a result of my own activities.  
Actually, whatever has been initiated in the name of liaison has ~~been~~  
now become to a considerable extent routine and should be running  
smoothly by the time I leave in April.

Sincerely [REDACTED]

25X1A

*P! Your Christmas card was much appreciated. It was most  
thoughtful of you to send one. Hope it is never too late  
to wish you the best of everything in the New Year.*
